

Central Intelligence Agency
Office of the Deputy Director for Intelligence

6 December 1985

The Honorable George P. Shultz
The Secretary of State

Dear Mr. Secretary:

I would appreciate the opportunity to meet with you to discuss your perceptions of the analytical support you are getting from the Intelligence Community and CIA. I am particularly interested in problems and your concerns about our work.

You have been an active user of intelligence and have taken time both to be briefed by our analysts and to give us information. You also have not hesitated to speak up when you disagreed with us. Thus, your views are of special value and interest to me. I have no problem with Mort sitting in, if you wish.

I am available at your convenience. If you have time, please just have Lora Simkus give me a call.

Regards,

Robert M. Gates
Deputy Director for Intelligence
